

Minute Mortgage

Our Service Delivers Smiles.

We specialize in happy customers.

At **Minute Mortgage**, we are dedicated to providing your clients — and you — a better loan experience. And behind the tech is our team of home loan heavyweights who have one goal: scoring your clients the best possible terms on their new or refinanced mortgage.

But don't take our word for it. Here's what just a few of our happy customers have had to say:

"Brooke has helped my husband and I with several purchases and refinances over the years. Her expertise and attention to detail is amazing. She makes what could be a stressful process simple and straightforward."

– **Rosemary D.**

"The service Minute Mortgage provided us was amazing! The entire process was as smooth as possible and (our loan officer) was always available to help us answer any question. We truly appreciate it. Thank you again!"

– **Brandi H.**

"I've bought and sold multiple homes in the past few decades and I can confidently say I've never worked with a mortgage professional whose customer care and expertise is better than Brooke's. She clearly communicated with my wife and I throughout the process and our entire experience was nothing short of superb, thanks to Brooke and Minute Mortgage's technology."

– **Bryan B.**

"The advice and direction Minute Mortgage gave me and my daughter saved us time and money. (Our loan officer) truly cares about her customers and what is best for them. Minute Mortgage is the only company we will ever use."

– **Bill S.**
